**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 16 You shall undergo a substance abuse evaluation and, if indicated, enter into and successfully complete an approved substance abuse treatment program, including aftercare. You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.
- 17 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

The above offender was just released from custody on December 8, 2006. A review of his criminal history indicates a significant pattern of substance abuse, which was confirmed by the offender to the probation officer during our first contact on December 11, 2006. In addition, the offender received disciplinary action for using controlled substances while in Bureau of Prisons custody on September 9, 2006. The offender has agreed to the requested modification and a signed waiver form is enclosed for the Court's review.
